

nurses  
for sexual & reproductive health

## ACE ELECTIVE University of California, San Francisco Example

### **Student leaders:**

HC (Nursing Masters student Year 1)  
MB (Medical student Year 2)

### **Interprofessional:**

Yes, sponsored by NSRH and MSFC

### **Leadership roles:**

HC: contacting ½ of the guest speakers and A/V equipment setup for each speaker. Created syllabus and recruited at UCSF NSRH chapter and within the nursing student body.

MB: contacting ½ of the guest speakers, attendance, and room reservations. Recruited student participants from MSFC chapter and medical student body.

### **Timeline:**

Spring Quarter (January - March, 2013). Wednesdays from 12-1PM. 10 weeks, 10 class sessions plus 1 movie night.

**Format:** Optionally for credit. Students could audit if they wished. To receive credit, they had to formally register and attend at least 8 of the 11 sessions. No homework. All sessions were led by guest lecturers. Most lecturers brought powerpoints, although some conducted a papaya workshop or held group discussions and panels.
