NSRH designed the Trust Level vetting process to ensure that we are developing a community with trust woven into the foundation and safety for all members. Members can move up the Trust Levels through the following examples of vetting:

- Current NSRH member vouch for you
- Verification of employment doing SHR work
- Attending virtual or in-person events
- A faculty vouch from nursing school program
- Participation with other SHR/RR/RJ groups
- One year of engaged, active membership
- Conversation(s) with NSRH staff, Board member, or Community Weaver
